Events involving high sound levels may not be scheduled during regular classroom instruction if the possibility of interference exists. Any recognized student organization or university department may reserve one of the designated open spaces for sound amplification.
2. The use of outdoor areas for amplified events is limited by the nature of the given area and the probability of interference with official university functions. In general, moderate amplification (not more than 90 decibels, "A" weighted, measured 45 feet from the front center of the stage) is allowed at Hahn Plaza (adjacent to Tommy

- 2. Limitation of Liability:** Notwithstanding anything to the contrary contained herein, to the maximum extent permitted by law, in no event will USC be responsible for any incidental damages, consequential damages, exemplary damages of any kind, lost goodwill, lost profits, lost business and/or any indirect economic damages whatsoever regardless of whether such damages arise from claims based upon contract, negligence, tort (including strict liability of other legal theory), a breach of any warranty or term of this agreement, and regardless of whether Purchaser was advised or had reason to know of the possibility of incurring such damages in advance.

All advertising must adhere to the policies as outlined in the USC SCampus Guidebook (available at www.usc.edu/scampus).
- J. Broadcast and Recording Rights:** The University reserves all rights and privileges for outgoing television and radio broadcasts originating in the Facility and for recordings either audio or visual, made in the Facility and intended for public distribution. These rights may be granted to

- K. Food and Beverage:** Food and Beverages shall only be served by arrangement with an on campus food service provider, by approved USC food vendor or by approved self-catered events. All events serving food are required to submit a cleaning deposit. Self-catered events are responsible for their own clean up and garbage removal. Failure to sufficiently clean the venue or remove trash will result in the loss of the cleaning deposit and/or fines.
- L. Alcohol Policy:** The illegal or abusive use of alcohol and/or other drugs by students, faculty, or staff adversely affects USC's commitment to provide an environment of excellence in teaching, research, and learning. As members of the USC community, we all share in the responsibility for creating and maintaining a healthy and productive environment for work and study alike. With this responsibility comes the obligation to be involved in preventing problems caused by the abuse of alcohol, tobacco and other drugs. USC's comprehensive approach to addressing substance abuse emphasizes:
1. Taking effective steps to create and maintain a drug-free workplace and educational environment for students, faculty and staff.
 2. Providing continual prevention, education and counseling services along with referrals to off-campus treatment facilities as appropriate.
 3. Encouraging individuals who are experiencing problems associated with alcohol and/or other drugs or chemical dependency to seek assessment, counseling and/or treatment voluntarily with the understanding that this assistance is confidential and will not be used against them.

(Taken from *USC Drug-Free – Prevention, Education and Counseling Services* along with *University Policies and Procedures for Preserving a Drug-Free Workplace and Study Environment* – hereafter referred to as *USC Drug-Free*.)

With this approach in mind, the University has expectations concerning alcohol use on campus which directly correspond to California and Los Angeles laws and ordinances and include, but are not limited to, the following provisions:

- The purchase, possession, or consumption of any alcoholic beverages (including beer and wine) by any person under the age of 21 is prohibited.
- Alcoholic beverages will not be provided to individuals less than 21 years of age.
- The selling, either directly or indirectly, of alcoholic beverages (including beer and wine) except under the authority of a California Alcoholic Beverage Control Board license is prohibited. This includes selling cups, mixes, ice, tickets for admission, required donations, etc.
- The serving of alcohol to an intoxicated person or to the point of intoxication is prohibited.

- The manufacture, use or provision of a false state identification card, driver's license, or certification of birth or baptism is prohibited.
- The act(s) of being drunk and disorderly in public view, including on public sidewalks and walkways, is prohibited.
- The consumption of alcoholic beverages in a public place (unless licensed for consumption of alcohol on the premises) is prohibited. This includes a prohibition of alcoholic beverages in public areas of academic facilities, recreation fields, university housing corridors, and lounges.
- Operating a motor vehicle, bicycle, skates, or scooters while under the influence of alcohol is prohibited.
- The possession of an alcoholic beverage in any open container in a motor vehicle, or while operating a bicycle, skates, skateboard, or scooter is prohibited regardless of who is driving and whether one is intoxicated (taken from *USC Drug-Free*).
- Behavior that is disruptive or abusive to others as a result of using intoxicants.

Alcohol and Event Planning: Since the consumption of alcoholic beverages is prohibited (unless licensed for consumption of alcohol on the premises), any event being sponsored or hosted by a campus individual, university-recognized group, department, or office, must get approval to serve alcohol. All student organizations must have permission to serve alcohol at their events. The Office of Fraternity and Sorority Leadership Development must approve requests to serve alcohol for all organizations within the Asian Greek Council, the Inter-Fraternity Council, the Multi-Cultural Greek Council, the National Panhellenic Council, the Panhellenic Council and the Independent Greek Council. All other student organizations should contact the Office of Campus Activities for additional information. Approval must be obtained for all events on campus, on Fraternity/Sorority Row, or at the Radisson. For approval and copies of the detailed protocol on serving alcohol on campus, call:

- Campus Activities, SKS 410, 213.740.5693
- Office of Fraternity and Sorority Leadership Development, TCC 330, 213.821.1639
- USC Hospitality, TCC 425, 213.740.5956

M. Parking: An event being attended by persons coming to the University campus specifically for the event will require a parking reservation and must be approved by USC Transportation Services. Options for event parking include: pre-event reservations by client or day of self parking by attendees. Oversize vehicles, event site parking, deliveries, pick ups, and vendor loading/unloading all require advanced approval and special permitting by the department of Transportation Services.

N. Vehicular Access: There are no designated parking spaces for the Ronald Tutor Campus Center. If you need access to the loading dock for event load in/load out, access must be arranged in advance with Trojan Event Services. There is no vehicular access, electric cart or bicycle parking allowed in International Plaza. Vehicles parking in this area will be ticketed and/or removed.

O. Admissions/Ticketing:

1. If your event requires Assigned Seating tickets, printing your own tickets is not permitted. You can obtain your printed tickets one of two ways:

- a. The student organization or department must be the primary contact for Trojan Event Services and all documents including any advertisements.
 - b. The main contact from the student organization must be a current, full-time student and member of the student organization.

 - h. For Student Organizations: All money made from the event (if any) must follow the guidelines listed in SCampus. The policy is as follows:

Conduct fundraising efforts within the stated Sales and Fund-Raising Policies of the university (see SCampus).

Student organizations (or individual members while acting in any capacity for the organization) may not: (a) conduct for-profit or commercial activities (or facilitate the for-profit or commercial activities of others), (b) conduct a business (or facilitate conducting the business of others), or (c) act as (or create the appearance of acting as) a liaison, representative, agent, facilitator, face or front for another business, person or entity. This should not be confused with fundraising. All recognized student organizations are permitted to fundraise on their own behalf. However, student organizations may only pursue fundraising activities to benefit their student organization, another university student organization, or an outside philanthropic agency or relief effort. No individual student(s) may receive any type of benefit or payment in connection with any of these activities, either in the form of money, trade, discounts, and/or any other goods or services.
